

Corn And Potato Soup

Servings: Serves 8

Categories: SOUP

Source: Joan Blois

Ingredients

- 2 large onions, chopped
- 4 medium potatoes, peeled and diced
- 2 cups water
- 1 Tbsp. salt
- 1 can evaporated milk (large)
- 1 19 oz. can creamed corn
- 2 Tbsp. Butter

Directions

Cook potatoes and onions in 2 cups water, with salt, until potatoes are tender.

Mash in the water they were cooked in.

Add evaporated milk , corn and butter.

Heat (do not boil) and serve.'

If you want to fancy up the serving, you can add some crumbled, crisp bacon on top.

Yummy!
