## Mexican Cross Piecing Instructions

Please refer to the link below for the piecing instructions.

<http://www.quilterscache.com/M/MexicanCrossBlock.html>

The photo and diagram on the next page will help with cutting and placement.

If you want to use the templates indicated in the link, don't forget to add 1/4" to the patterns.

These are 8" finished (8 1/2" unfinished) blocks and you will make 16 blocks.
