Cutting Instructions

Flying Geese Block

The fabric cutting for these blocks will depend upon which method you choose and where you put the background fabric and the method will be up to you.

Method #1 - Stitch and Flip

192 = 2 1/2" squares

96 - 4 1/2" x 2 1/2" rectangles

Method #2 - Stitch and Flip and Trim

192 - 2 3/4" squares

96 - 4 3/4" x 2 3/4" rectangles

Method #3 - No waste 4 at a time

24 - 5 1/2" squares

96 - 3" squares

#####

Instructions

Use one of the tutorials listed below or your favorite method for making flying geese. You will need 96 geese units measuring 4" x 2" finished (4 1/2" x 2 1/2" raw).

There are several ways to make these block - check out this tutorial - it explains how to make the 4" x 2" flying geese 5 different ways:

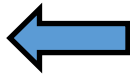

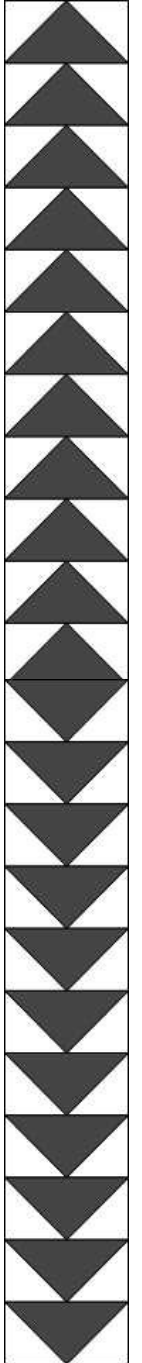

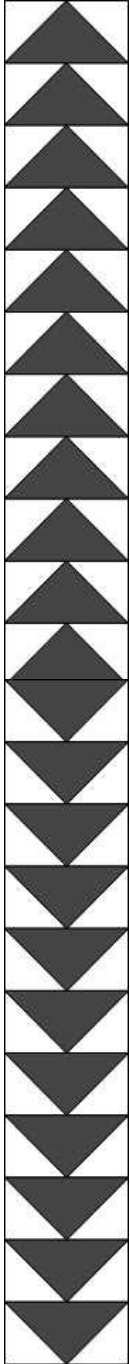

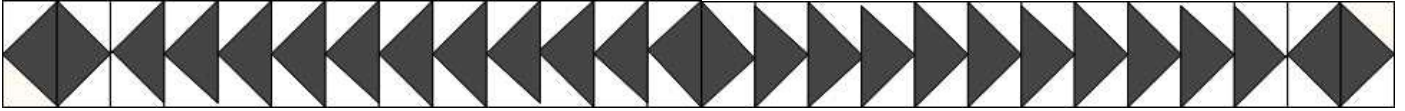

<https://kristinesser.com/2018/07/12/how-to-make-a-flying-geese-block-5-different-ways/>

If you want to get a head start on putting blocks together, this would be a good round to start on. The four "sides" are sewn together separately as shown on the following page.
