## PRESIDENT'S MESSAGE

VICKI ROSS

Welcome Back Quilters!

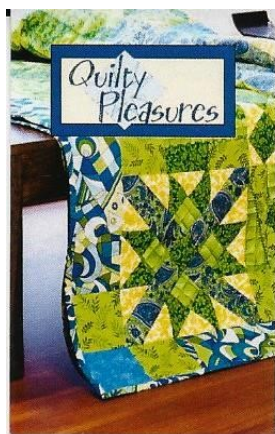

It seems like just a few weeks ago that we said good bye to each other for the summer. To me it felt like a small hiatus from Guild meetings, retreats, sew days and workshops because here we are already, we are about to start a new guild year of 2019-2020. That being said, the Guild work didn't stop over the summer as our Quilt Show Committee continued to plan for our upcoming Quilt Show in May.

I sewed and quilted more this summer than planned and my tall weeds in the garden show for that. It was far more comfortable to sew in my air-conditioned house than to be outside gardening in the high heat and humidity! Over the summer I finished some UFOs, and took a few courses. I learned the basics of Trapunto, got comfortable using haemostats while stuffing a doll in a doll making course, made a Poppins bag, and learned different methods to dye fabric. I hope that you had fun sewing and learned a few new things as well!

I am excited to be your new President! I am hoping that this will be an awesome Guild year! If you have questions, suggestions, or maybe a complaint please come forward to me or another member of the executive and we will respond to you.

See you soon!

## PROGRAMME

## GWENN BECK-POTTIER

### Trunk Show September 10th, 2019

#### Sheree Bonaparte:

Sheree has been making quilts since the 1990's when her symbolic designs caught the attention of Native American Museums in the states and she was invited to participate in a joint project with other Native quilters.

She is from Akwesasne, a Mohawk Territory just south of Cornwall, ON.

She has used the art of quilt making to calm her nerves as a mother of 10 and the former Executive Director of her local First Nation Council.

She has been a shopkeeper and is currently a Museum Coordinator. She enjoys her life and sharing her knowledge with area visitors. Sheree uses her quilts as a way to teach others about her community and their place within the Haudenosaunee (Iroquois) Confederacy.

Victoria's Quilts Canada is a charitable organization of volunteers that provides quilts to people living with cancer in Canada – as a gift. To make the quilt tops, we rely on

donations of 100% cotton fabric. We can't use Christmas, baby or novelty fabrics, but we take just about anything else – as long as it's unused and at least ¼ metre in size. Why not trim down your unruly stash by donating part of it so that we can continue providing comfort to those dealing with this dreaded disease.

# A QUILTY "ROAD TRIP" ADVENTURE

Original Design by Laura Malo

## SEPTEMBER

We are starting this adventure with the center medallion. You will find the directions for the "low road" and the "high road" under the Guild Activities tab (Challenge Quilt) on the CTQG website.

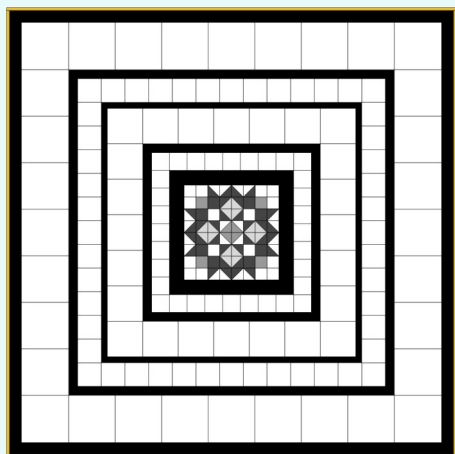

Here are a few tips to make your quilty adventure a success:

- ♦ You can choose to make either the high road or the low road block(s) or you can make a block(s) of your choice as long as it is the same size (for example: the centre block is 16" finished - 16 1/2" raw).
- ♦ The quilt will look fabulous no matter if you choose to do a gradient of colours, a 2 or 3 colour scheme with a neutral background, or even using scraps. (I have made both quilts - one using scraps and a solid background and the other using shades of blue with a tone on tone white background.)

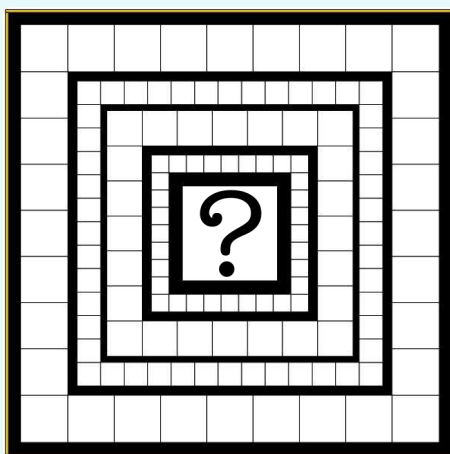

We would love to see your blocks - post them on our facebook page. Look for mine in early September.

I hope you enjoy this challenge and if you have any questions, or need assistance, please contact me at [ctqg.programme@gmail.com](mailto:ctqg.programme@gmail.com).
