## PRESIDENT'S MESSAGE

VICKI ROSS

Hello Everyone:

June already! Traditionally this has been when the last newsletter goes out, our last general meeting gathers and our last work shop happens. Then, the Guild is "out for the summer". The physical aspect of our Guild came to an end with the Covid 19 virus in March. But with perseverance and Zoom technology our Guild has survived throughout the Pandemic with a successful Membership meeting, shop hop, multiple Executive meetings and hopefully a fun virtual workshop later in the month. Luckily, we have been far better off than some of our neighbouring guilds who didn't have the capability with the technology. Even so, we were not able to complete some of our more physical activities. The pandemic is what prompted us to extend our quilt year to October 2020. But as it looks, we may not be able to continue with those activities in the traditional format anyway.

No one knows what we will be facing in September as the environment changes everyday. The Executive members are being creative and "thinking outside of the box" for the new Guild year. We have starting planning for virtual autumn meetings if physical distancing is still a strong reality. More planning will be necessary and you will be informed of the way forward when the information is ready to disseminate.

We will not be able to hold elections in June, and we haven't been able to entice members through conversations to ask you to volunteer for a position. Consequently, we have many openings available. A Guild does not run without volunteers to run it. Please volunteer your time for the new Executive Team. If you are interested in any of the positions please let Gwenne Pottier (who will be the new President) know through her email address posted at the end of the newsletter. Being on the Executive team this past year for me was rewarding experience and a lot of fun.

Stay safe and Happy quilting.

## PROGRAMME

Laura Malo & Marliese Kuhn

**Virtual Lecture on Zoom** - Link will be e-mailed to all paying CTQG members

**June 9, 2020 — 7:00 pm**

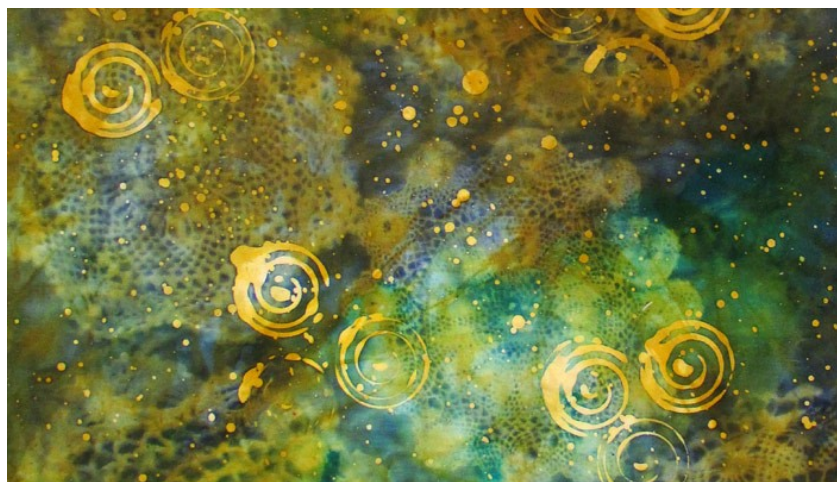

**Fiber Artist Susan Purney-Mark**

### *On the Surface — Design, Colour and Deliriously Fun Stuff*

Painting, dyeing, printing, stamping, paint sticks....what's it all about?

This lecture is a great introduction to the wonderful world of Surface Design and all the possible methods of applying colour to cloth. You will look at your fabrics with a new vision!

Questions and answers at the end of Susan's presentation.

*About Susan Purney-Mark, [susanpm.com](http://susanpm.com)*

As a textile artist, Susan has embarked on a life transforming journey into the world of colour, design and pattern. Working with textiles has become her method of self expression and the focus of her methods of communication.

She has studied Design, Patchwork and Embroidery with the prestigious City & Guilds Institute of London, England and has studied with internationally acclaimed teachers/quilt makers Nancy Crow, Jan Meyers Newbury, Elin Noble, Gail Harker and Ruth Issett. Susan has also been awarded two Certificates in Art and Design and Textile Design/Decoration from the Gail Harker Creative Studies Centre in Washington, USA.

Susan has spent the last 20 years learning, experimenting and finally teaching a variety of surface design techniques in dyeing, painting, screen printing and image transfers. Most recently she has focused on soy wax resists and has recently released an instructional DVD on many of the techniques she is currently teaching across North America. Her work is known for its use of traditional methods with contemporary design and materials.

When time permits, Susan is an avid kayaker and gardener as well as an active member of the fibre arts community in British Columbia and is a member of national/ international fibre and surface design associations and is a qualified quilt judge.

## WORKSHOPS

Carol Nicholson & Sandra Baynes

### The Hex Trade 1-Day course with Janet Barker

- Instructor: Janet Barker, Calgary Alberta
- Location: Your own sewing room or set up on the patio as this is **virtual**
- Date: **Saturday June 20, 2020**
- Time: 10 am to 3:30 pm plus an additional hour follow up if you want it on another night.
- Cost: 1 day: \$30 members \$35 non-members
- Skill level: Intermediate
- Notes:
  - Minimum 8 students to a maximum number of 20
  - Workshop fees can be mailed or we can make arrangements
- Register: On-line. We will send a confirmation once we receive your request.

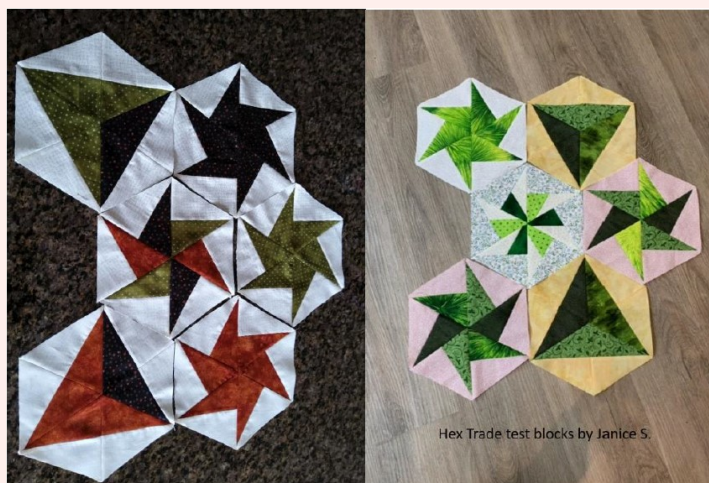

Using simple strip piecing techniques and a 60° ruler (or your favourite triangular ruler), join Janet to explore the many possible block variations in this hexagon sampler quilt. Triangles are cut and traded to create new patch combinations such as spinning stars, baby blocks, pinwheels, hexagonal wagon wheels and pieced triangle variations. Note that there are no Y-seams involved! Janet will also dip into her extensive collection of hexie samples to show alternate sizes and settings, demonstrating that a wide variety of projects can be made using your Hex Trade block designs.

The required pattern is included in the course fee.

## Fat Quarter Club

## Del Jazey & Susan Baker

The Fat Quarter viewers choice quilt contest will be held at our October meeting, assuming we will be able to gather then. We will be putting our themes for September to June 20/21 in the September newsletter.

Stay safe and thank you to everyone that participated in our monthly Fat Quarter draw.

Susan and Del

## Virtual Shop Hop

There has been positive feedback from both shops and participants of the virtual Shop Hop. The Facebook live posts by some shops were also very well received.

We will be looking at doing another virtual Shop Hop in the autumn and then a bus trip Shop Hop in the spring next year. This will be revisited in September when the new guild year starts.

## COMMUNITY PROJECTS

Carole Maisonneuve & Lynn Strban

Community Project activities regarding the delivery of, or receipt of quilts, quilt tops and cuddle quilts continue to be postponed until we are able to do so safely. We have contacted our out-reach organizations and they cannot yet accept anything at this time.

As mentioned previously, the kit challenge draw will take place in the fall if the Guild meetings resume. This information will be updated when the situation changes.

Should individual members wish to help making masks etc please refer to the "Bits and Pieces" article in this newsletter for direct links to some of groups who are set up to do this.

Once again, we thank you for your continued support helping others in need!

Warmest Regards,

Lynn Strban and Carole Maisonneuve

Victoria's Quilts Canada is a charitable organization of volunteers that provides quilts to people living with cancer in

Canada – as a gift. To make the quilt tops, we rely on donations of 100% cotton fabric. We can't use Christmas, baby or novelty fabrics, but we take just about anything else – as long as it's unused and at least ¼ metre in size. Why not trim down your unruly stash by donating part of it so that we can continue providing comfort to those dealing with this dreaded disease.

## BITS AND PIECES

### Sewing for Front Line Workers

There are a number of initiatives for helping our front line workers and other vulnerable people through sewing scrub caps, face masks, headbands and gowns. For instance:

- **FREE Ottawa cloth Masks for the Public**

<https://www.facebook.com/groups/2703881409847662/?ref=share>

*Please Note:*

- This information is being shared for informational purposes and being mentioned herein is not an endorsement, nor is this a shortlist of any sort. These are simply the groups that the newsletter editors are aware of, and which are recruiting volunteers to sew and are donating the sewn products to frontline workers in Ottawa and beyond, or, the last one, to the public.
- Doing some research into what is needed and how best to prepare it is an important step before starting to sew.
- Some, or possibly all, of these groups also welcome donations of fabric, sheets, elastic, buttons, etc.
